**EL**len's Well  
administered by  
Southampton Hospital Foundation

**The Ellen Hermanson Breast Center at Stony Brook Southampton Hospital is proud to be designated a Breast Imaging Center of Excellence by the American College of Radiology (ACR).**

The Center offers a wide spectrum of breast health services, including education, early detection screenings, and breast cancer treatment and support. The Center utilizes state-of-the-art diagnostic techniques, including tomosynthesis — the most advanced mammography technology — ultrasound, and stereotactic breast biopsy.

**No patient is turned away from the Ellen Hermanson Breast Center for lack of insurance or inability to pay for treatment.**
